NEW Educational Assistant Posting Process

For June 2016 there is a new EA posting process that has taken the place of the in-person meetings that have been held in each of the 3 areas of the school board in the past. This year the electronic posting commenced with Round 1 postings being made available on June 15 with a closing date for Round 1 postings of 4pm Sunday June 19. 2nd Round postings and all subsequent rounds will take place commencing at 4:30PM Monday June 20th. More details are available in the First Class email Conference "EA Forum" and the new email conference "EA Placement Questions"

CUPE has also created 3 Fact Sheets on the process for this year. We encourage all EAs to review this information as some information has changed and some has remained the same.

Statement of Earnings – Sick Leave

Permanent employees have a running total of their remaining sick leave allotment shown on their pay stub. You may have noticed that your sick leave, expressed in hours is shown in the bottom right corner of the pay statement. If you require more detailed sick leave information there are instructions posted in the CUPE 997 First Class Conference on how to run a SFE report. For employee groups that currently don't have access to SFE you can contact the Attendance and Disability Manager in Human Resources at extension 22143.

Permanent employees should also know that if they exhaust their sick leave we are entitled to 120 Short Term Leave days paid at least at 90%.
