

WHAT CAN YOU DO ABOUT VIOLENCE IN THE WORKPLACE?

CUPE 997 is pleased to offer this complimentary workshop open to CUPE 997 Members only.

Learn what you can and should do if you are the victim of student aggression in the workplace.

The following topics will be covered:

- ◆ Importance of completing the workplace injury/accident forms and seeking medical assistance.
- ◆ When / if to contact the police.
- ◆ When to refuse unsafe work and an overview of that process.
- ◆ When to organize a work stoppage and an overview of that process.
- ◆ How to stay safe at work and assist us in preventing workplace violence against staff.
- ◆ What are worker's rights and what obligations does the employer have under legislation?
- ◆ Questions and answers.

Registration is required for these workshops
