**Present:**  
**Information meetings on our Long Term Disability Plan**  
**Saturday May 11, 2019**

The cost of our LTD plan has skyrocketed in the last two years making it unaffordable for many of our members. We now have options available to us to reduce the cost through benefit reductions. We have finalized LTD Information Meetings in Bracebridge and Lindsay on **Saturday May 11, 2019** to present the options to all members in attendance.

We are pleased to have Keren Higgins, OTIP Senior Account Manager in attendance to make a presentation. The Presentation will explain the reasons for the increased cost of LTD followed by potential options, some of which could lower the LTD benefit level while reducing premium costs. Following the presentations there will be an opportunity for questions and answers.

We encourage anyone who currently has LTD coverage through the school board plan attend this important meeting.

Members who have LTD coverage will have an opportunity to vote on the options presented at the meetings through an electronic voting process in the days following the meetings.

**Date: Saturday May 11, 2019**
