Why

We have now completed 2 days of bargaining with the assistance of a Ministry of Labour appointed Conciliation Officer and we want you to know where we stand.

MEETING TOPICS

Your Bargaining Committee will provide an update on Local Collective Bargaining. This will include information about the concessions the employer has proposed and what practices the employer has notified the Union will change after bargaining is complete.

Additionally an update on the status of the Local Priorities Funding and the Education Workers Protection fund will be provided to all those in attendance.

We will talk about next steps.
