C1.2 Implementation

Part “A” may include provisions respecting the implementation of central terms by the school board and the union. Any such provision shall be binding on the school board and the union. Should a provision in Part A conflict with a provision in Part B, the provision in Part A, Central Term will apply.

C1.3 Parties

- a) The parties to the collective agreement are the school board or school Authority and the union.
- b) Central collective bargaining shall be conducted by the central employer and employee bargaining agencies representing the local parties.

C1.4 Single Collective Agreement

Central terms and local terms shall together constitute a single collective agreement for all purposes.

C2.00 DEFINITIONS

C2.1 Unless otherwise specified, the following definitions shall apply only with respect to their usage in standard central terms. Where the same word is used in Part B of this collective agreement, the definition in that part, or any existing local interpretation, shall prevail.

- c. The central parties shall use the mutually agreed-to list of arbitrators set out in Letter of Understanding #7. Arbitrators on the list will be used in rotation, based on availability. On mutual agreement, the parties may add to or delete from the list during the term of the agreement, as required.

- d) In the case of a dispute regarding the FTE number of members for whom the provincial benefits package is being provided, the dispute will be resolved between the Board and CUPE. If no resolution to the issue can be achieved, it shall be subject to the Central Dispute Resolution Process.

C5.5 Payment in Lieu of Benefits

- a) All employees not transferred to the Trust who received pay in lieu of benefits under a collective agreement in effect as of August 31, 2014, shall continue to receive the same benefit.

An employee completing a long-term supply assignment that is less than a full year will be allocated eleven (11) sick days payable at one hundred percent (100%) reduced to reflect the proportion the long-term supply assignment bears to the length of the regular work year for the position.

c) Short Term Disability Coverage – Days Payable at 90% Wages

Permanent Employees

Subject to paragraphs d), e) and f) below, permanent Employees will be allocated one hundred and twenty (120) short-term disability days at the start of each fiscal year or the first day of employment. Permanent Employees eligible to access short-term disability coverage shall receive payment equivalent to ninety percent (90%) of regular wages.

Employees on Long-Term Supply Assignments

Subject to paragraph d) below, Employees completing a full year long-term supply assignment shall be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages at the start of the assignment.

An employee completing a long-term supply assignment that is less than a full year will be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of wages reduced to reflect the proportion the long term supply assignment bears to the length of the regular work year for the position.

d) Eligibility and Allocation

A sick leave day/short term disability leave day will be allocated and paid in accordance with current local practice.

Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

Permanent Employees

The allocations outlined in paragraphs b) and c) above will be provided on the first day of each fiscal year, or the first day of employment, subject to the exceptions below:

Where a permanent Employee is accessing sick leave and/or the short-term disability plan in a fiscal year and the absence continues into the following fiscal year for the same medical condition, the permanent Employee will continue to access any unused sick leave days or short-term disability days from the previous fiscal year's allocation.

A new allocation will not be provided to the permanent Employee until s/he has returned to work and completed eleven (11) consecutive working days at their regular working hours. The permanent Employee's new sick leave allocation will be eleven (11) sick leave days payable at 100% wages. The permanent Employee will also be allocated one hundred and twenty (120) short-term disability leave days based on the provisions outlined in c) above reduced by any paid sick days already taken in the current fiscal year.

If a permanent Employee is absent on his/her last regularly scheduled work day and the first regularly scheduled work day of the following year for unrelated reasons, the allocation outlined above will be provided on the first day of the fiscal year, provided the employee submits medical documentation to support the absence, in accordance with paragraph (h).

Employees on Long-Term Supply Assignments

Employees completing long term supply assignments may only access sick leave and short-term disability leave in the fiscal year in which the allocation was provided. Any remaining allocation may be used in subsequent long-term supply assignments, provided these occur within the same fiscal year.

Employees employed in a long-term supply assignment which is less than the ordinary period of employment for the position shall have their sick leave and short-term disability allocations pro-rated accordingly.

Where the length of the long-term supply assignment is not known in advance, a projected length must be determined at the start of the assignment in order for the appropriate allocation of sick leave/short-term disability leave to occur. If a change is made to the length of the assignment, an adjustment will be made to the allocation and applied retroactively.

e) Refresh Provision for Permanent Employees

Permanent Employees returning from LTD or workplace insurance leave to resume their regular working hours must complete eleven (11) consecutive working days at their regular working hours to receive a new allocation of sick/short-term disability leave. If the Employee has a recurrence of the same illness or injury, s/he is required to apply to reopen the previous LTD or WSIB claim, as applicable.

The Local union and Local school board agree to continue to cooperate in the implementation and administration of early intervention and safe return to work processes as a component of the Short-Term Leave and Long Term Disability Plans.

In the event the Employee exhausts his/her sick/short-term disability leave allocation from the previous year and continues to work part-time, their salary will be reduced accordingly and a pro-rated sick/short-term allocation for the employee's working portion of the current year will be provided. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours. Any changes to hours of work during a fiscal year shall result in an adjustment to the allocation.

For the purposes of d) and e) of this article, eleven (11) consecutive working days of employment shall not include a period of leave for a medical appointment, which is related to

the illness/injury that had been the reason for the employee's previous absence, but days worked before and after such leave shall be considered consecutive. It shall be the employee's obligation to provide medical confirmation that the appointment was related to the illness/injury.

f) WSIB & LTD

An Employee who is receiving benefits under the Workplace Safety and Insurance Act, or under an LTD plan, is not entitled to benefits under a school board's sick leave and short-term disability plan for the same condition unless the employee is on a graduated return to work program then WSIB/LTD remains the first payor.

For clarity, where an employee is receiving partial benefits under WSIB/LTD, they may be entitled to receive benefits under the sick leave plan, subject to the circumstances of the specific situation. During the interim period from the date of the injury/incident or illness to the date of the approval by the WSIB/LTD of the claim, the employee may access sick leave and short-term leave and disability coverage. A reconciliation of sick leave deductions made and payments provided, will be undertaken by the school board once the WSIB/LTD has adjudicated and approved the claim. In the event that the WSIB/LTD does not approve the claim, the school board shall deal with the absence consistent with the terms of the sick leave and short-term leave and disability plans.

g) Graduated Return to Work

Where an Employee is not receiving benefits from another source and is working less than his/her regular working hours in the course of a graduated return-to-work as the Employee recovers from an illness or injury, the Employee may use any unused sick/short term disability allocation remaining, if any, for the portion of the day where the Employee is unable to work due to illness or injury. A partial sick/short term leave day will be deducted for an absence of a partial day in the same proportion as the duration of the absence is to an employee's regular hours.

Where an employee returns on a graduated return to work from a WSIB/LTD claim, and is working less than his/her regular hours, WSIB and LTD will be used to top up the employee's wages, as approved and if applicable.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source;
- and is working less than his/her regular hours of work;
- and has sick leave days and/or short-term disability days remaining from the previous year

The employee can access those remaining days to top up their wages proportional to the hours not worked.

Where an employee returns on a graduated return to work from an illness which commenced in the previous fiscal year,

- and is not receiving benefits from another source,
- and is working less than his/her regular hours of work,
- and has no sick leave days and/ or short-term disability days remaining from the previous year,

the employee will receive 11 days of sick leave paid at 100% of the new reduced working hours. When the employee's hours of work increase during the graduated return to work, the employee's sick leave will be adjusted in accordance with the new schedule. In accordance with paragraph c), the Employee will also be allocated one hundred and twenty (120) short-term disability days payable at ninety percent (90%) of regular salary proportional to the hours scheduled to work under the graduated return to work. The new pro-rated sick/short-term leave allocation may not be used to top-up from part-time to full-time hours.

h) Proof of Illness

Sick Leave Days Payable at 100%

A Board may request medical confirmation of illness or injury and any restrictions or limitations any Employee may have, confirming the dates of absence and the reason thereof (omitting a diagnosis). Medical confirmation is to be provided by the Employee for absences of five (5) consecutive working days or longer. The medical confirmation may be required to be provided on the form contained in Appendix C.

Short-Term Disability Leave

In order to access short-term disability leave, medical confirmation may be requested and shall be provided on the form attached as Appendix "C" to this Agreement.

In either instance where an Employee does not provide medical confirmation as requested, or otherwise declines to participate and/or cooperate in the administration of the Sick Leave Plan, access to compensation may be suspended or denied. Before access to compensation is denied, discussion will occur between the union and the school board. Compensation will not be denied for the sole reason that the medical practitioner refuses to provide the required medical information. A school board may require an independent medical examination to be completed by a medical practitioner qualified in respect of the illness or injury of the Board's choice at the Board's expense.

In cases where the Employee's failure to cooperate is the result of a medical condition, the Board shall consider those extenuating circumstances in arriving at a decision.

i) Notification of Sick Leave Days

The Board shall notify employees and the Bargaining Unit, when they have exhausted their 11 days allocation of sick leave at 100% of salary.

j) Pension Contributions While on Short Term Disability

Contributions for OMERS Plan Members:

When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OMERS contributions based on 100% of the employee/plan member's regular pay.

Contributions for OTPP Plan Members:

- i. When an employee/plan member is on short-term sick leave and receiving less than 100% of regular salary, the Board will continue to deduct and remit OTPP contributions based on 100% of the employee/plan member's regular pay.
- ii. If the plan employee/plan member exceeds the maximum allowable paid sick leave before qualifying for Long-Term Disability (LTD)/Long Term Income Protection (LTIP), pension contributions will cease. The employee/plan member is entitled to complete a purchase of credited service, subject to existing plan provisions for periods of absence due to illness between contributions ceasing under a paid short-term sick leave provision and qualification for Long-Term Disability (LTD)/Long-Term Income Protection (LTIP) when employee contributions are waived. If an employee/plan member is not approved for LTD/LTIP, such absence shall be subject to existing plan provisions.

k) Top-up Provisions

Employees accessing short-term disability leave as set out in paragraph c) will have access to any unused sick leave days from their last fiscal year worked for the purpose of topping up wages to one hundred percent (100%) under the short-term disability leave.

This top-up is calculated as follows:

Eleven (11) days less the number of sick leave days used in the most recent fiscal year worked.

Each top-up to 100% from 90 to 100% requires the corresponding fraction of a day available for top-up.

In addition to the top-up bank, top-up for compassionate reasons may be considered at the discretion of the board on a case by case basis. The top-up will not exceed two (2) days and is dependent on having two (2) unused Short-Term Paid Leave Days/Miscellaneous Personal Leave Days in the current year. These days can be used to top-up salary under the short-term disability leave.

When employees use any part of a short-term disability leave day they may access their top up bank to top up their salary to 100%.

l) Sick Leave to Establish EI Maternity Benefits

If the Employee will be able to establish a new EI Maternity Benefit claim in the six weeks immediately following the birth of her child through access to sick leave at 100% of her regular salary, she shall be eligible for up to six weeks leave at 100% of her regular salary without deduction from the sick days or short-term disability leave days (remainder of six weeks topped-up as SEB).

It is not the mandate of the Committee to deal with matters that have been filed as central disputes. With mutual consent, additional items may be added prior to, or at the meeting.
- b) The minutes will be produced by the CTA and agreed upon by the parties on an item-by-item basis. The minutes will reflect the items discussed and any agreement or disagreement on solutions. The minutes will be translated into the French language and authorized for distribution to the parties and the Crown once signed by a representative from both parties.

C7.6 Without Prejudice or Precedent

The parties to the Committee agree that any discussion at the Committee will be on a without-prejudice and without-precedent basis, unless agreed otherwise.

* “General Nature of Illness” (or injury) suggests a general statement of a person’s illness or injury in plain language without any technical medical details, including diagnosis. Although revealing the nature of an illness may suggest the diagnosis, it will not necessarily do so. “Nature of illness” and “diagnosis” are not congruent terms. For example, a statement that a person has a cardiac or abdominal condition or that s/he has undergone surgery in that respect reveals the essence of the situation without revealing a diagnosis.

Additional or follow up information may be requested as appropriate.

LETTER OF UNDERSTANDING #2

BETWEEN

**The Canadian Union of Public Employees
(Hereinafter 'CUPE')**

AND

**The Council of Trustees' Associations
(Hereinafter the 'CTA/CAE')**

Re: Status Quo Central Items and Items Requiring Amendment and Incorporation

The parties agree that the following central issues have been addressed at the central table and that the provisions shall remain status quo or are altered as outlined below. The following language must, however, be aligned with current local provisions. The following issues are not subject to local bargaining or amendment by the local parties. Any disputes arising from these provisions may form the subject of a central dispute.

PREGNANCY/PARENTAL LEAVES OF ABSENCE/SEB – EI WAITING PERIOD

The parties agree that the issue of the statutory amendment to the *Employment Insurance Act* resulting in a reduction of the employment insurance waiting period has been addressed at the central table and the intent of any existing local collective agreement provisions shall remain status quo. Therefore, where a school board's local collective agreement language references a two-week waiting period and required payment for the two-week waiting period, the board shall ensure that the funds payable from the board to a permanent employee taking an approved leave of 12 months or greater, shall reflect the full sum that would have been payable prior to the reduction of the waiting period.

Provisions with regard to waiting periods and/or payments during such waiting periods shall not be subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein and to accord with the relevant statutory change that reduced the waiting period to one week.

STATUTORY/PUBLIC HOLIDAYS

School boards shall ensure that within their local collective agreement terms, Family Day is included as a statutory/public holiday.

WSIB TOP-UP

If a class of employee was entitled to receive WSIB top-up on August 31, 2012 deducted from sick leave, the parties who have not yet do so must incorporate those same provisions without

deduction from sick leave. The top-up amount to a maximum of four (4) years and six (6) month shall be included in the 2019-2022 collective agreement.

For parties who have yet to incorporate or aligned local language into the 2014-2017 collective agreement, the following shall apply:

Common Central Provisions

Maternity Benefits/SEB Plan

- a) A full-time and part-time permanent Employee who is eligible for pregnancy leave pursuant to the Employment Standards Act, shall receive *100% salary through a Supplemental Employment Benefit (SEB) plan for a total of *eight (8) weeks (*or insert local superior provision reflecting status quo) immediately following the birth of her child with no deduction from sick leave or the Short Term Leave Disability Program (STLDP).
- b) Full-time and part-time permanent Employees not eligible for a SEB plan as a result of failing to qualify for Employment Insurance will be eligible to receive 100% of salary from the employer for a total of eight (8) weeks with no deduction from sick leave or STLDP.

- d) Full-time and part-time permanent Employees who require longer than the eight (8) week recuperation period shall have access to sick leave and the STLDP subject to meeting the requirements to provide acceptable medical verification.
- e) Employees completing a long-term supply assignment of 6 months or more shall be eligible for the SEB as described herein for a maximum of eight (8) weeks or the remaining number of weeks in their current assignment after the birth of her child, whichever is less.
- f) Employees not defined above have no entitlement to the benefits outlined in this article.

SHORT-TERM PAID LEAVES

The parties agree that the issue of short-term paid leaves has been addressed at the central table and the provisions shall remain status quo to the provisions in current local collective agreements. For clarity, any leave of absence in the 2008-2012 local collective agreement that utilized deduction from sick leave, for reasons other than personal illness shall be granted without loss of salary or deduction from sick leave, to a maximum of 5 days per school year. For further clarity, those boards that had 5 or less shall remain at that level. Boards that had 5 or more days shall be capped at 5

days. These days shall not be used for the purpose of sick leave, nor shall they accumulate from year to year.

Short-term paid leave provisions in the 2008-12 collective agreement that did not utilize deduction from sick leave remain status quo and must be incorporated into the 2014-17 collective agreement.

Provisions with regard to short-term paid leaves shall not subject to local bargaining or amendment by local parties. However, existing local collective agreement language may need to be revised in order to align with the terms herein.

RETIREMENT GRATUITIES

The issue of Retirement Gratuities has been addressed at the Central Table and the parties agree that formulae contained in current local collective agreements for calculating Retirement Gratuities shall govern payment of retirement gratuities and be limited in their application to terms outlined in Appendix B - Retirement Gratuities.

The following language shall be inserted unaltered as a preamble to Retirement Gratuity language into every collective agreement:

“Retirement Gratuities were frozen as of August 31, 2012. Employees are not eligible to receive a sick leave credit gratuity or any non-sick leave credit retirement gratuity (such as, but not limited to, service gratuities or RRSP contributions) after August 31, 2012, except a sick leave credit gratuity that the Employee had accumulated and was eligible to receive as of that day. The following language applies only to those employees eligible for the gratuity above.”

SICK LEAVE TO BRIDGE LONG-TERM DISABILITY WAITING PERIOD

Boards which have Long-Term Disability waiting periods greater than 131 days shall ensure there is language that accords with the following entitlement:

An Employee who has applied for long-term disability is eligible for additional short-term disability leave days up to the maximum difference between the long-term disability waiting period and 131 days. The additional days shall be payable at 90% and shall be used only to bridge the employee to the long-term disability waiting period if, under a collective agreement in effect on August 31, 2012, the employee was required to wait more than 131 days before being eligible for benefits under a long-term disability plan and the collective agreement did not allow the employee the option of reducing that waiting period.

Re: Job Security: Protected Complement

The parties acknowledge that education workers contribute in a significant way to student achievement and well-being.

1. Effective as of the date of central ratification, the Board undertakes to maintain its Protected Complement, except in cases of:
 - a. A catastrophic or unforeseeable event or circumstance;
 - b. Declining enrolment;
 - c. Funding reductions directly related to services provided by bargaining unit members; or
 - d. School closure and/or school consolidation.
2. Where complement reductions are required pursuant to 1. above, they shall be achieved as follows:
 - a. In the case of declining enrolment, complement reductions shall occur at a rate not greater than the rate of student loss, and
 - b. In the case of funding reductions, complement reductions shall not exceed the amount of such funding reductions, and
 - c. In the case of school closure and/or school consolidation, complement reductions shall not exceed the number of staff prior to school closure/consolidation at the affected location(s).

Local collective agreement language will be respected, regarding notification to the union of complement reduction. In the case where there is no local language the board will notify the union within twenty (20) working days of determining there is to be a complement reduction.

3. For the purpose of this Letter of Understanding, at any relevant time, the overall protected complement is equal to:
 - a. The FTE number (excluding temporary, casual and/or occasional positions) as at date of central ratification. The FTE number is to be agreed to by the parties through consultation at the local level. Appropriate disclosure will be provided during this

consultation. Disputes with regard to the FTE number may be referred to the Central Dispute Resolution Process.

- b. Minus any attrition, defined as positions that become vacant and are not replaced, of bargaining unit members which occurs after the date of central ratification.
4. Once the FTE number has been established in accordance with paragraph 3, above, the local parties shall jointly report the number to the Central Labour Relations Committee.
5. Notwithstanding the provisions of the School Boards Collective Bargaining Act (SBCBA) requiring the ratification of both local and central terms for a collective agreement to be effective, the parties agree that CUPE locals and School Boards will meet within 30 days of ratification of the central agreement to establish and maintain the protected complement.
6. Reductions as may be required in 1. above shall only be achieved through lay-off after consultation with the union on alternative measures, which may include:
 - a. priority for available temporary, casual and/or occasional assignments;
 - b. the establishment of a permanent supply pool where feasible;
 - c. the development of a voluntary workforce reduction program (contingent on full provincial government funding).
7. The above language does not allow trade-offs between the classifications outlined below:
 - a. Educational Assistants
 - b. DECEs
 - c. Secretaries
 - d. Custodians
 - e. Cleaners
 - f. Information Technology Staff
 - g. Library Technicians
 - h. Instructors
 - i. Supervisors
 - j. Central Administration
 - k. Professionals
 - l. Maintenance/Trades
8. The parties agree that where local collective agreement language currently exists that provides a superior benefit specifically with regard to protected complement FTE number, that language will prevail.
9. This Letter of Understanding expires on August 30, 2026.

PART B: LOCAL TERMS

ARTICLE L1 - PURPOSE

L1.01 The purposes of this Collective Agreement are to:

- establish, promote and facilitate an effective, harmonious and orderly relationship between the parties;
- recognize the mutual value of joint discussions related to all matters pertaining to the working conditions of members of the Bargaining Unit;
- promote morale, well-being and security of all members of the Bargaining Unit;
- define procedures for the prompt and equitable disposition of grievances which arise under the terms of this Agreement;
- encourage efficiency in operation; and,
- set out such terms and conditions of employment for members of the Bargaining Unit as have been agreed upon by the parties.

L1.02 It is understood and agreed that the provisions as set out in this Collective Agreement constitute the entire negotiated Agreement between the parties.

ARTICLE L2 - MANAGEMENT RIGHTS

L2.01 The Union acknowledges that, except as expressly modified by any other article of this Collective Agreement, it is the exclusive right and function of the Employer to:

- (a) maintain order, discipline and efficiency and to make, alter and enforce rules and regulations to be observed by employees, provided such rules and regulations have been posted or otherwise been brought to the attention of Bargaining Unit members;
- (b) hire, assign, classify, evaluate, direct, transfer, promote, demote (including disciplinary demotion), layoff, recall, discipline, suspend or discharge, provided that a claim that a permanent employee has been discharged or disciplined without just cause may be the subject of a grievance and be dealt with as herein provided;
- (c) determine the number of employees to be employed, including the qualifications, duties and responsibilities of the employees, the hours of work, the work year, and work location;
- (d) generally to manage the service and operations in which the Employer is engaged and, without restricting the generality of the foregoing, to retain all residual rights of management to determine, alter and eliminate the number and location of establishments, services and programs, to determine the work to be performed and the scheduling of such work, and the methods and work procedures to be followed.

L2.02 The Parties agree that they will exercise their rights in accordance with the terms and provisions of this Collective Agreement and with the prevailing statutes and regulations of the Province of Ontario.

The Employer recognizes the Canadian Union of Public Employees and its Local 997 as the sole and exclusive bargaining agent for all office, clerical and technical personnel and all educational assistants employed by the Trillium Lakelands District School Board, save and except supervisors and persons above the rank of supervisor.

L3.02 Non-Discrimination

The parties agree that there shall be no interference, discrimination, restriction or coercion exercised or practiced by either of the parties or their representatives against any person in regard to employment or terms or conditions of employment because the person exercises rights under this Agreement, or participates in the lawful activities of the Canadian Union of Public Employees or its Local 997.

L3.03 No individual employee or group of employees shall undertake to represent the Union at meetings with the Board without proper authorization of the Union. In order that this may be carried out, the Union will supply the Board with names of employees who are stewards or other officers of the Union. Similarly, the Board will, if requested, supply the Union with a list of its supervisory or other personnel with whom the Union may be required to transact business.

L3.04 There will be no solicitation for membership by the Union or by any of its members during an employee's working hours, nor will there be any assembly of employees during such hours for the purpose of conducting meetings related to Union business, without the consent of the Employer or except as hereinafter provided.

ARTICLE L4 - STRIKES AND LOCKOUTS

L4.01 So long as this Agreement continues to operate, there shall be no lockout by the Employer, and the Union will not cause or sanction any employee represented by it to participate in any strike, deliberate slowdown, or interference with work in or about the Board's schools or premises.

L4.02 In the event of any strike, slowdown or interference with work during the terms of this Agreement, the Union and its officers will make every effort to prevail upon the employees so engaged to cease and desist in such activities.

All of the Union representatives, other than the CUPE National Representative (if applicable), shall be permanent employees of the Employer.

L5.02 The Employer recognizes the right of CUPE and its Local 997 to authorize any advisor, agent, counsel, solicitor or duly authorized representative to assist, advise or represent it in all matters pertaining to the negotiation and administration of this Agreement.

Subject to the authority of the Principal or appropriate Superintendent/Manager related to school and Board premises, authorized representatives of the Union shall have reasonable access to Bargaining Unit members, normally outside of working hours, for Union business at all schools and workplaces.

- L5.03 CUPE and its Local 997 recognizes the right of the Employer to authorize its external organization or any other advisor, agent, counsel, solicitor or duly authorized representative to assist, advise, or represent it in all matters pertaining to the negotiation and administration of this Agreement.

ARTICLE L6 - UNION SECURITY AND CHECK-OFF OF UNION DUES

- L6.01 On each pay date on which a member of the Bargaining Unit is paid, the Employer shall deduct from each employee such dues or assessments as are levied by the Union in accordance with its constitution and/or by-laws. The amounts to be deducted shall be determined by the Union, and written notice of the amount(s) or any change(s) thereto shall be forwarded to the Employer at least thirty (30) days prior to the effective date.

- L6.02 Deductions shall be forwarded monthly to the Secretary-Treasurer of the Union not later than the fifteenth (15th) day of the month following the month in which the deductions were made. The monthly remittance to the Union shall be accompanied by lists of the names and addresses, phone numbers, work site, job class, FTE status, wages paid for the period and the union dues deducted for all employees from whose wages deductions have been made.

Employees shall be exempt from having union dues deducted while they are on full-time Long Term Disability or while they are in receipt of full-time WSIB benefits for a period of greater than two (2) weeks.

- L6.03 The Union shall indemnify and save the Employer harmless from any and all claims, suits, attachments or any form of liability whatsoever as a result of any dues deductions which have been authorized by the Union.

ARTICLE L7 - UNION COMMITTEE AND STEWARDS

- L7.01 An employee shall not be eligible to act as a member of the Union Bargaining and/or Grievance Committee, or as a Steward, until completion of the probationary period.

- L7.02 The Union acknowledges that Stewards, members of the Union Bargaining and/or Grievance Committee, and such other Union Officers as may be chosen from among the Bargaining Unit membership, have regular duties to perform as employees of the Board, and that such persons will not leave their regular duties for the purpose of presenting or discussing grievances, or for the purpose of conducting any business on behalf of the Union, without first obtaining permission. Requests for such leave shall be submitted, in writing, for approval to the Senior Manager of Human Resources Services or designate, with a copy to the immediate supervisor. Such requests will not be unreasonably denied. Upon resumption of regular duties, such employees will report to their immediate supervisor and will, if requested, give a reasonable explanation for the time spent away from work.

- L7.03 In consideration of Stewards, members of the Union Bargaining and/or Grievance Committee, and other Union Officers who are employees in the Bargaining Unit, attending to the business set out in this Agreement, the Employer will pay such employees for the time spent in handling grievances or attending other meetings with Employer representatives during their regular hours of work. Absences on account of Union business for the Bargaining Unit which exceed twenty (20) total

days per year (i.e. September 1 to August 31) shall be reimbursed by the Union on a cost recovery basis.

ARTICLE L8 - EMPLOYER/UNION RELATIONS

L8.01 Correspondence

All correspondence between the parties hereto arising out of this Agreement or incidental thereto shall pass to and from the Superintendent of Human Resources Services or designate and President of the Local Union or designate.

L8.02 Joint Labour/Management Committee

At the request of either the Union or the Employer, up to four (4) representatives of each of the parties will meet from time-to-time during the term of this Agreement to discuss matters of mutual concern, which are related to the workplace. Such issues would not normally include bargaining which are the subject of an active grievance, or which are being dealt with in collective bargaining. By agreement, the parties may strike ad hoc sub-committees to discuss specific concerns. The frequency of the meetings will be as determined by the parties, but will meet at a minimum six times throughout the school year. Meetings shall normally be held in the months of October, November, January, February, April and May. Such meetings shall be scheduled in advance for the following school year, normally no later than June 30th of each year.

L8.03 Copies of the Collective Agreement

The Employer shall post the Collective Agreement electronically on the Board's intranet in an area specifically for CUPE 997 members to access within ninety (90) days of the execution of a new Collective Agreement.

L8.04 The Employer will provide bulletin board space for the use of the Union/Local at an appropriate location in each workplace, and upon which the Union/Local shall have the right to post notices relating to matters of interest to the Union/Local and members of the Bargaining Unit.

L8.05 The Union/Local shall have access to the Employer's courier system, e-mail, phones and mail boxes for regular formal communication between it and Bargaining Unit members.

L8.06 Inasmuch as paragraphs L8.04 and L8.05 recognizes the Local as an internal user for the purposes of bulletin boards, e-mail, courier, etc., the Union/Local, for its part, agrees to abide by any policies and procedures which are established by the Employer regarding the use of these services. All CUPE position Job Postings, Seniority Lists, items relating to Payroll and/or Benefits, and other items which may be of interest to CUPE Local 997 bargaining unit members shall be posted by the Employer electronically on the Board's intranet in an area specifically for CUPE 997 members to access.

L8.07 The President of the Local shall be provided with a copy of regular Board and Board Committee staffing reports for the CUPE Bargaining Units, which detail all employment status decisions related to Bargaining Unit members.

L8.08 Where the employer conducts staff orientation sessions, the Local President (or designate) and appropriate Union Stewards will be afforded thirty (30) minutes for the purpose of making a presentation to the CUPE members in attendance.

ARTICLE L9 - GRIEVANCE AND ARBITRATION PROCEDURE

L9.01 Intent and Definition of Grievance

It is mutually agreed that it is in the spirit and intent of this Article to settle, in an orderly manner, grievances arising from the interpretation, application, administration or alleged contravention of this Agreement, including any question as to whether a matter is arbitrable.

L9.02 Informal Stage

Any dispute to be recognized as a grievance must first be discussed by the employee and the employee's supervisor. If the grievor is unable to resolve the dispute, the Union may file a formal grievance at Step One.

L9.03 Step One

If the dispute is not deemed to be settled on the basis of the informal discussions as set out above, the Union shall submit a formal grievance notice in writing within ten (10) working days of the employee becoming aware of the circumstances giving rise to the complaint, or after the date when the event could have reasonably been detected, to the Senior Manager of Human Resources Services (or designate). The written notice shall contain the complete grievance, list all clauses alleged to have been violated by specific number, the settlement requested and shall not be subject to change after the submission. The Senior Manager of Human Resources Services (or designate) shall provide a written answer within ten (10) working days of receipt of the grievance.

L9.04 Step Two

If the grievance is not deemed to be settled on the basis of the answer given in Step One, the Union shall, within ten (10) working days of receipt of the Step One answer, notify the Superintendent of Human Resources Services (or designate), in writing, that a grievance meeting is requested. The Superintendent of Human Resources Services (or designate), and other persons that the Superintendent of Human Resources Services (or designate) deems appropriate shall meet with up to three (3) members of the Union, within fifteen (15) working days of receipt of the notice. The Superintendent of Human Resources Services (or designate) shall provide a written answer within five (5) working days of the meeting being held.

L9.05 Step Three

If the grievance is not deemed to be settled on the basis of the answer given in Step Two, the Union shall, within ten (10) working days of the receipt of the answer given in Step Two, notify the Director of Education, in writing, of its desire to submit the grievance to arbitration.

The notice shall either:

- a) Request that the grievance be heard by a sole arbitrator in accordance with clause L9.14 or;
- b) Contain the name and address of the Union's appointee to an Arbitration Board. The Director of Education, or designate, shall, within ten (10) working days, inform the Union of the Employer's appointee to the Arbitration Board. The two appointees shall, within ten (10) working days, or such longer time as they may agree upon, appoint a third person who shall be the Chairperson. If the recipient of the notice fails to appoint an Appointee or if the two (2) appointees fail to agree upon a Chairperson within the time limit, either the Union or the Employer may request the appointment of a Chairperson by the Ministry of Labour.

- L9.06 The Arbitration Board shall hear and determine the grievance and shall issue a decision which is final and binding upon the Parties.
- L9.07 The decision of the majority is the decision of the Arbitration Board, but if there is no majority, the decision of the Chairperson governs. The decision of the Arbitration Board shall be final and binding and enforceable on the Parties.
- L9.08 The Arbitration Board shall not have the power to change, modify, extend or amend the provisions of this Agreement.
- L9.09 Each Party shall bear the fee and/or expenses of its appointee to the Arbitration Board, and any fees and/or expenses of the Chairperson shall be borne equally by the Parties. Each Party shall bear its own expenses respecting appearances at hearings of the Arbitration Board. Each Party shall bear, at its own expense, the cost of counsel or advisors at each step of the grievance procedure.
- L9.10 All the time limits fixed herein for the grievance procedure may be extended only upon the written mutual consent of the Parties and subsection 48 (16) of the *Labour Relations Act* does not apply. One or more steps in the grievance procedure may be omitted in the processing of a grievance only upon the written mutual consent of the Parties.
- L9.11 Group, Policy, Employer Grievances
- (a) If the Employer has a complaint against the Union, it shall submit its grievance in accordance with the provisions of Step Two, except that the notice shall be given to the President of the Local or other designated executive officer of the Union.
- (b) The Union may file a grievance on behalf of two (2) or more employees commencing at Step One, if specifically requested in writing to do so by said employees. The written request of said employees shall be attached to the grievance.
- (c) Group grievances may only be filed within ten (10) working days of either Party becoming aware of the circumstances giving rise to the complaint, or within ten (10) working days after the event when the event could reasonably have been detected.
- (d) When a dispute arises involving a question of general application or general interpretation of the terms of the collective agreement, a Policy Grievance may be filed by either party at Step 2.
- L9.12 In all situations involving the discipline of a Bargaining Unit member, the disciplinary letter shall be copied to the Union, and any grievance resulting therefrom shall be filed at Step Two.
- L9.13 Newly hired probationary employees shall not be entitled to grieve a termination during the probationary period.
- L9.14 It is understood that the Parties may mutually agree in writing to submit the grievance to a mutually agreed upon single Arbitrator at Step Three rather than an Arbitration Board. In the event that the Parties are unable to agree upon a single Arbitrator, having previously mutually agreed to proceed with a single Arbitrator, the Parties may request the Minister of Labour to make the appointment.
- L9.15 It is understood that an employee, through the Local, has the right to have a CUPE National Representative to assist the member at any formal stage of this grievance/arbitration procedure.
- L9.16 At any stage in the grievance procedure, the parties by mutual consent in writing may elect to resolve the grievance by using grievance mediation. The parties shall agree on the individual to be the mediator and the time frame in which a resolution is to be reached.

The timelines outlined in the grievance procedure shall be frozen at the time the parties mutually agreed in writing to use the grievance mediation procedure. Upon written notification of either party to the other party indicating that the grievance mediation is terminated, the timelines in the grievance procedure shall continue from the point at which they were frozen. The fees for the mediator shall be shared equally by the parties.

- L9.17 The Employer acknowledges the right of the Union to elect or otherwise appoint a Grievance Committee and/or Union Stewards, whose role is to assist Bargaining Unit members in relation to the grievance/arbitration procedure.
- L9.18 The Union recognizes and agrees that members of the Grievance Committee, and Stewards, have regular duties to perform in connection with their employment. As a result, it is understood that the business of administering this agreement will be attended to, as much as possible, outside of regular working hours or, where that is not possible, with the least possible interference with regular duties.
- L9.19 A grievance committee member and/or steward will obtain permission from their immediate supervisor before leaving regular duties and shall, if requested, provide a reasonable explanation as to the reason(s) for and length of time spent in the performance of regular union duties. Permission to leave regular duties to attend to Union business shall not be unreasonably withheld.

ARTICLE L10 - TEMPORARY AND CASUAL EMPLOYEES

L10.01 Temporary employees may be hired for a period of up to twenty-four (24) months, and not exceeding the duration of the absence, to replace an employee who is absent because of illness, leave of absence, bereavement, time off in lieu of overtime, or vacation. In exceptional circumstances, where the absence being covered exceeds twenty-four (24) months, the temporary employment may be appropriately extended, in consultation with the Union, and when applicable, the corresponding loss of seniority provision, paragraph L12.07 (e), shall be similarly extended for the absent employee.

In addition, temporary employees may be hired for a period of up to six (6) months in the case of special projects, relief work or to provide additional staffing during peak periods, or for up to one (1) year for special project funding not included in the Grants for Student Needs (GSNs).

It is understood that the time periods noted above may be extended by mutual agreement.

L10.02 Temporary employees are subject only to the following Articles/paragraphs:

- L6.01 - Dues Check-Off
- L8.03 - Copies of the Collective Agreement
- Article L9 - Grievance and Arbitration Procedure
- L13.02
- Article L16 - Hours of Work (except lieu time)
- L19.03 – Bereavement
- L19.07 (e)
- Article L21 – Wage Rates and Method of Pay
- L26.01

L10.03 No employee with seniority will be laid-off or remain on lay-off while temporary employees are retained at work, so long as the employee affected by the lay-off is willing to perform and has the necessary qualifications and ability to perform the duties of the temporary position.

L10.04 Notwithstanding the above, a permanent employee who accepts a temporary assignment through the Posting procedure is not a temporary employee. In this regard, it is understood that temporary postings, resulting from a permanent employee accepting a temporary assignment, shall be limited to two (2).

L10.05 In the event that the assignment of an employee filling a long-term assignment is to be terminated prior to the originally scheduled termination date, the employee will be given a minimum of two (2) working days' notice, or two (2) days' pay in lieu of notice.

During the notice period, it is understood that the employee may be reassigned to other available comparable work at the same number of daily hours including supply coverage at a worksite that the employee has previously agreed to work.

L10.06 A casual employee in the OCT Occupational Group may be employed on a day-to-day basis. A casual employee in the EA Occupational Group may be employed in accordance with Appendix "C" – Educational Assistant Posting/Placement Process.

Casual employees are not subject to the terms of this Agreement, except as to:

- Wage Rate (Article L21),
- Union Dues (Article L6) and
- Clauses L10.05, L10.06 and L13.02.

L10.07 Casual and temporary employees shall be eligible for statutory holiday pay for Canada Day, in accordance with the Ontario Employment Standards Act (ESA).

L10.08 Call-in Pay

If a Casual employee has been either called out in error, or the assignment has been cancelled without the Casual employee having received a minimum of one and a half (1.5) hours' notice prior to the scheduled commencement of the assignment, the Casual employee, upon reporting for duties, shall be assigned duties for a minimum of fifty percent (50%) of the scheduled call-in shift at the appropriate hourly rate of pay. It is understood that this does not apply in the case of inclement weather.

Notwithstanding the above, this article does not apply as a result of an unforeseeable event or circumstance beyond the Board's control.

ARTICLE L11 - PART-TIME EMPLOYEES

L11.01 A part-time employee is defined as an employee regularly employed for less than seventeen and one-half (17.5) hours per week. A part-time employee may be engaged on an interim basis for seventeen and one-half (17.5) or more hours per week to replace an employee who is absent from regular duties. During such period, the part-time employee will continue to be covered by the provisions of this Agreement as a part-time employee.

L11.02 Where operationally possible, part-time employees shall be offered any available hours in their assigned school(s) prior to a casual employee being assigned.

ARTICLE L12 - SENIORITY

- L12.01 Except for temporary and casual employees, all employees covered by this Agreement who have completed their probationary period shall have their names placed on the seniority list based on last date of hire into a permanent position within the Bargaining Unit. In this regard, it is understood that there is no break in seniority in relation to ten (10) and eleven (11) month employees who are expected to return to work after the summer break.
- L12.02 The Employer shall maintain the seniority list. The list shall be posted in January of each year, in each workplace and electronically on the Board's intranet in an area specifically for CUPE members to access. In addition, and concurrently, the seniority list will be forwarded to the President of the Local.
- L12.03 The list shall specify the name of the employee, occupational group, job title, work location, full-time equivalent and seniority date.
- L12.04 Should a tie occur, the tie will be broken by lot conducted by the Senior Manager of Human Resources Services or designate, and the Unit Chief Steward(s), or designate.
- L12.05 Any dispute regarding the information on the seniority list shall be brought to the attention of the Senior Manager of Human Resources Services or designate, and the President of the Local within twenty (20) working days of posting.
- L12.06 Employees accepting and transferring to jobs outside the Bargaining Unit, or to jobs in other Bargaining Units, will maintain their Bargaining Unit seniority for up to twenty-four (24) months, but shall not accumulate seniority for their time spent outside the Bargaining Unit.
- L12.07 Loss of Seniority

An employee shall lose seniority in the event of:

- (a) Discharge for just cause.
- (b) Voluntary termination of employment (e.g. retirement or resignation) or abandonment of a position.
- (c) Absence from duties for more than three (3) consecutive days, or three (3) single days in any ninety (90) day period, without securing permission for the absence(s) or without providing a reason satisfactory to the Employer.
- (d) Lay-off for a period longer than twenty-four (24) months.
- (e) Absence due to illness exceeding two (2) years, off-the-job accident exceeding two (2) years, or five (5) years in the case of occupational accident or injury, in circumstances where it is clear that, due to the permanent nature of the illness/disability, there is no reasonable prospect of return to active employment.
- (f) Recall opportunity refusals in accordance with the lay-off/recall provisions of this Agreement.

Loss of seniority under (c) through (f) above will normally result in the termination of employment.

L12.08 Probationary Period

New employees shall become eligible for seniority rights after eighty (80) working days probationary service. After successful completion of the probationary period, the seniority date shall reflect the commencement of employment as a probationary employee.

L12.09 For the purposes of clarification, a working day for probationary purposes is defined as a day when the employee is on the job for their regularly scheduled hours. A probationary period interrupted by the end of the school year shall be continued for the outstanding term at the start of the next school year, as long as there are no lay-offs.

L12.10 The Employer and the Union agree that when a position is posted in the Bargaining Unit and a probationary staff member who had been laid off applies, the employee will be considered for vacancies prior to temporary or external staff for a period of six (6) months from the date of lay-off. Such employees, if successful, shall serve their probationary period as of the date on which the employee starts work in the new position.

L12.11 Probationary employees may apply for posted positions of greater hours or which are a promotion. Such employees, if successful, shall serve their probationary period as of the date on which the employee starts work in the new position.

Effective September 1, 2016, in a case where a probationary employee is the successful applicant for the same position but with greater hours, upon successful completion of their probationary period the employee's seniority date will be back-dated to their original hire date to a permanent position.

ARTICLE L13 - JOB POSTINGS

L13.01 When a vacancy occurs or a new position is created, the Employer shall ensure that the notice of the position is posted electronically on the Board's intranet for a minimum of five (5) working days in order that all employees will know about the position and be able to make written application. Simultaneously, the Employer agrees to forward a copy of the posting to the President of CUPE Local 997.

Note #1: An increase in the number of working hours of a position is not considered to be a new job or a vacancy.

Note #2: With respect to Educational Assistant postings, openings which arise during the school year shall be handled in accordance with Appendix "C".

L13.02 The Employer and the Union agree that when a position is posted in the Bargaining Unit, and no permanent employee from the Bargaining Unit where the posting arises applies and is successful from within, then applicants internal to the Board, including casual and temporary Bargaining Unit members, shall have the right to apply and be considered for the position before any external hire.

L13.03 In circumstances where the position is filled by a Bargaining Unit member from another CUPE Bargaining Unit, that member will retain seniority in the original Bargaining Unit until completion of the probationary period. Upon successful completion of the probationary period the employee's total qualifying service will be transferred to the new Bargaining Unit for the purposes of benefits and vacation only; seniority shall accrue as of the new appointment date in the Bargaining Unit.

L13.04 On some occasions, and with the mutual agreement of the parties to this Agreement, it may be necessary for openings to be advertised both internally and externally, simultaneously. In such

cases, first consideration shall be given to internal candidates (as above), prior to any consideration being given to external candidates.

L13.05 Information on Postings

The postings shall contain the following information: job title, occupational group, summary of duties, the normal requirements of the position including relevant experience, knowledge and education (or an acceptable combination of education and relevant experience), skills, location, shift or hours of work, wage rate, the application procedure, and whether or not the position is temporary or permanent, part-time or full-time.

L13.06 Method of Making Appointments

In making staff changes, promotions or transfers, appointments shall be made of the applicant having the required qualifications. The successful applicant shall be placed on a trial period and, conditional on satisfactory service, the position will be declared permanent for the employee after three (3) months, with a three-month extension if it is felt to be necessary. In the event that the successful applicant proves to be unsatisfactory in the position during the trial period, or if the employee is not satisfied with the position during the trial period, the employee shall be returned to the former position, wage or salary rate without loss of seniority. Any other permanent employee promoted or transferred because of the rearrangement of positions shall also be returned to the former position, wage and salary rate without loss of seniority. Where the employee elects to return to their former position, the vacancy or new position will not be reposted and applicants to the original posting will be considered in accordance with this article.

As between two (2) or more applicants who have the ability to do the job and meet the qualifications for the position, and are relatively equal as to relevant experience, knowledge, education and skills, the applicant with the most seniority shall be given the position.

An employee who has been successful in a permanent job competition must, before applying for another permanent position, remain in the permanent position for a minimum period of six (6) months from the date of appointment.

This provision shall not apply in the case of a promotion (including an increase in hours), or a permanent employee who was or is presently in a temporary assignment, or in the case of an employee being appointed to their current position as a result of exercising their rights under the bumping process, or if there is mutual agreement between the employee, the Local Union President or designate, and the Senior Manager Human Resources Services or designate.

L13.07 Debriefing

Any unsuccessful applicants who have higher seniority standing than the successful applicant will be informed in writing of the reasons for not being selected within ten (10) working days of the selection of the successful applicant. The Union President will receive a copy of any such letters.

L13.08 Temporary Postings

- a) A permanent employee who accepts a temporary assignment through the posting procedure is not a temporary employee. In this regard, it is understood that temporary postings, resulting from a permanent employee accepting a temporary assignment, shall be limited to two (2).
- b) A position that is filled casually will be posted after sixty (60) working days. Where it is known in advance and it is determined by the employer that a temporary vacancy exists and will exceed forty (40) working days, the position will be posted as a temporary position at the commencement of the leave.

- c) Unless otherwise agreed to by the Board, and the Union, or in the case of a promotion, change in job title or an increase in hours, employees that accept a temporary posted position that continues for five (5) months or greater are limited to one (1) move to a temporary position per school year under this Article.

Note: Article L13.08 (b) and (c) do not apply with respect to temporary Educational Assistant postings. All openings which arise during the school year shall be handled in accordance with Appendix "C".

L13.09 Exchanges

Exchanges between employees, within the same classification, may be considered by the Board if:

- (a) Notice of the proposed exchange has been circulated.
- (b) Employees with seniority are given preference.
- (c) The exchange is mutually agreed upon by the employees involved in the exchange, and this agreement is communicated in writing to the Senior Manager of Human Resources Services or designate.

Employees who exchange shall have a thirty (30) consecutive working day trial period commencing from the first day of work in the new position. During this time, if either of the employees or the Board are not satisfied, then the employees shall return to their former position as soon as is practicable.

ARTICLE L14 - LAY-OFF AND RECALL

L14.01 Definition of Lay-off

A lay-off shall be defined as the elimination of a permanent position (either temporarily or permanently), or any reduction in regular weekly hours of a permanent position.

- L14.02 It is understood and agreed that the summer, Christmas and March break periods, for employees whose work requirements are for less than a school year, do not constitute a lay-off within the meaning of this Article.

L14.03 Notice of Lay-off

The Employer shall notify the Union and the employees who are to be laid off thirty (30) calendar days prior to the effective date of the lay-off. An employee who has not had the opportunity to work the days as provided in this Article shall be paid for the days for which work was not made available. In addition, the Employer shall continue to pay its share of benefit premiums for the duration of the notice period.

Note: It is understood that, for less than twelve (12) month employees, pay and benefits obligations would not arise in relation to days that the employee is not normally scheduled to work; eg. for ten (10) month employees who are not scheduled to work in the summer period, notice by July 31 would be sufficient notice for a September lay-off, and no salary/benefits obligations would arise.

- L14.04 Lay-offs shall be based on seniority, subject to the right of the Employer to retain a junior employee if the senior employee does not have the skills required for the work available. The most junior employee in the position at the worksite shall be laid off first (subject to the foregoing proviso), and,

similarly, employees shall be recalled from lay-off in the reverse order of their seniority in the occupational group provided that they have the skills required for the work available.

In the OCT/EA Bargaining Unit, Educational Assistants constitute one occupational group. All other employees in the Bargaining Unit constitute the Office/Clerical/Technical occupational group.

L14.05 No employee working in a permanent position shall be laid off where a casual or temporary employee is filling a temporary position/vacancy, except where the permanent employee is either unable or unwilling to perform the duties of the temporary position.

L14.06 No new employees will be hired until those laid off have been considered for recall under paragraphs L14.08 and L14.09.

L14.07 An employee in receipt of notice of lay-off will inform the Board in writing of their choice, within one (1) working day (twenty-four (24) hours) of receipt of their option list to:

- (a) accept the lay-off; or
- (b) opt to retire; or
- (c) displace the most junior employee in a position in the same occupational group at the same hours and in the same salary classification in the following sequence (see Appendix "B"):
 - (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.

Selection of (i), (ii) or (iii) is at the choice of the employee.

- (d) failing sufficient seniority to bump under (c) above, displace the most junior employee in a position in the same occupational group at higher hours and in the same salary classification, in the following sequence (see Appendix "B"):
 - (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.

Selection of (i), (ii) or (iii) is at the choice of the employee.

- (e) failing sufficient seniority to bump under (d) above, displace the most junior employee in a position in the same occupational group at the closest lower number of hours and in the same salary classification, in the following sequence (see Appendix "B"):
 - (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.

Selection of (i), (ii) or (iii) is at the choice of the employee.

- (f) failing sufficient seniority to bump under (e) above, displace the most junior employee in a position in the same occupational group at the same hours and in the closest lower salary classification, in the following sequence (see Appendix "B"):
 - (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.

- (g) failing sufficient seniority to bump under (f) above, displace the most junior employee in a position in the same occupational group at higher hours and in the closest lower salary classification, in the following sequence (see Appendix "B"):

- (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.
- (h) failing sufficient seniority to bump under (g) above, displace the most junior employee in a position in the same occupational group at the closest lower number of hours and in the closest lower salary classification, in the following sequence (see Appendix "B"):
- (i) within their family of schools
 - (ii) within the next family of schools
 - (iii) within the next family of schools.
- (i) failing sufficient seniority to bump under (h) above, displace the most junior employee in a position in the same occupational group on a Board-wide basis, in the following sequence:
- (i) at the same hours in the same salary classification; or
 - (ii) higher hours in the same salary classification; or
 - (iii) the closest lower number of hours in the same salary classification; or
 - (iv) at the same hours in a lower salary classification; or
 - (v) higher hours in a lower salary classification; or
 - (vi) the closest lower hours in a lower salary classification.

L14.08 All permanent employees on lay-off shall have the opportunity of recall, subject to their ability to perform the duties of the job with orientation, before any casual/temporary employees are hired. An employee who has been recalled to such temporary vacancy/posting shall not be required to accept such recall and may instead chose to remain on lay-off. Employees shall be recalled to temporary positions in order of seniority.

L14.09 The Senior Manager of Human Resources Services (or designate) shall notify the employee of a recall opportunity by telephone, at the last phone number on record with the Board. In this regard, the employee is solely responsible for ensuring that the proper and most current telephone number is on record with the Board. The employee shall be advised of the job to which they are eligible for recall and the date that they will be expected to report to work if the recall is accepted. When contacted by phone, the employee has twenty-four (24) hours to accept or decline the recall opportunity. When the employee cannot be reached by telephone, the recall offer shall be sent to the employee's Board email account. The employee has twenty-four (24) hours when notified by Board email of the recall opportunity to accept or decline the recall opportunity. If the employee does not contact the Employer within the timeframes outlined above, they are deemed to have refused the recall opportunity.

Recall will only be to positions in the employee's geographic area unless the employee has declared otherwise, in writing to the Senior Manager of Human Resources Services (or designate). The employee will be notified that they have an opportunity to declare their geographic preference, and the deadline for making such declaration.

Three (3) refusals to recall opportunities to permanent jobs within the three (3) families of schools from which the employee was laid off (the employee's geographic region – see Appendix B) shall result in removal from the recall list and loss of seniority.

Notwithstanding above, where the Employer was unable to contact the employee by phone or email as described above on the first recall attempt only, it will not be considered to be one (1) of the three (3) refusals.

L14.10 When an Educational Assistant on the recall list is without a temporary or permanent position during the month of September, the Educational Assistant will maintain their rights and privileges as a permanent employee including but not limited to the wage rate and access to health and dental benefits, provided the Educational Assistant continues to work for the employer.

Following September 30th Educational Assistants on the recall list who accept a long-term position of 12 days or longer, will continue to maintain all rights and privileges offered to permanent employees for the duration of the long-term position including all subsequent long-term positions accepted throughout the work year.

L14.11 Redeployment Committee

In any situation involving lay-offs, where notice is given under paragraph L14.03, the Employer and the Union will work together, under the auspices of the Joint Labour/Management Committee, to minimize lay-offs through exploring, identifying and implementing (where feasible) attrition opportunities such as possible early retirements, unpaid leave, job sharing, voluntary lay-offs, etc.

In this regard, it is understood that the obligation to convene a Redeployment Committee meeting would not normally arise in lay-offs related to the EA placement process, or lay-offs involving fewer than 5.0 FTE, but would normally arise in any lay-off(s) involving the elimination of a job category.

When the Redeployment Committee is convened, the Employer will provide the Committee with all pertinent staffing and financial information.

ARTICLE L15 – TRANSFERS

L15.01 Transfers to and from Supervisory Positions

- (a) A bargaining unit employee accepting an excluded position shall be entitled to a leave of up to twenty-four (24) months in order to accept the position. Seniority shall be maintained but shall not accrue during the term of such leave. If a temporary position, such appointment shall be for a defined period of no less than sixty (60) working days and no more than twenty-four (24) months. During such leave, the employee shall maintain their group benefits.
- (b) Employees who have always been excluded from the Bargaining Unit and at some time are transferred to a position within the Bargaining Unit shall be given seniority dating only from the date of transfer to the Bargaining Unit.

L15.02 Temporary Transfers to Higher-Rated Positions

In the event that the employer asks a permanent employee to temporarily replace another employee in the bargaining unit in a higher salary group, and this temporary transfer continues for a period of more than one (1) day, the employee shall be paid in the higher salary group range, at the closest step above their current hourly rate, for the entire period worked in such position.

L15.03 Transfers to Lower-Rated Positions

- (a) In the case of voluntary transfer to a position in a lower salary group, the rate of pay will be decreased to the appropriate step, based on experience, of the salary group range of the position to which the employee is transferred.
- (b) In the event that an employee is transferred by the employer to a position in a lower salary group, the employee's rate of pay shall not be reduced to the lower rate until after thirty (30) working days.

L15.04 Responsibility Pay

In the event that a permanent employee is formally asked to replace an employee in the Middle Management Group, and this temporary transfer continues for a period of two (2) days or more to a maximum of sixty (60) working days, the employee shall be paid an hourly premium as follows:

- effective September 1, 2019 \$3.21 per hour;
- effective September 1, 2020 \$3.24 per hour;
- effective September 1, 2021 \$3.28 per hour

in addition to their regular hourly rate. If the total number of hours regularly worked in the temporary position is less than those regularly worked by the employee in their permanent position, the employee's regular number of hours worked shall not be reduced, although their hours of work or shift may change.

ARTICLE L16 - HOURS OF WORK

L16.01 The Employer does not guarantee to provide work for normal hours or for any other hours.

L16.02 The normal hours of work on a regularly scheduled work week for full-time Office/Clerical/ Technical employees shall be thirty-five (35) hours per week, working five (5) days of seven (7) hours each, Monday to Friday inclusive.

L16.03 The normal hours of work on a regularly scheduled work week for full-time Educational Assistants shall be thirty-five (35) hours per week, working five (5) days of seven (7) hours each, Monday to Friday inclusive.

L16.04 For those employees who are scheduled to work over the summer period, it is understood and agreed that flexible hour arrangements for the summer may be implemented under the auspices of the Joint Labour Management Committee (paragraph L8.02). It is understood that any such program would be agreed upon prior to April 30th of each year.

L16.05 Time and one half (1 ½) shall be paid for all work performed on Monday to Friday over and above seven (7) hours per day or thirty-five (35) hours per week. All time worked on Saturday will be paid at the rate of one and one half (1 ½) times the rate of pay for all hours worked. Double time shall be paid for all work performed on Sundays and Statutory Holidays.

Note: Where an Educational Assistant is required to accompany students on a field trip, overtime will be recognized for hours of direct student supervision.

L16.06 Permanent part-time employees who are asked to work more than their regularly scheduled hours shall be paid at their regular rate for hours up to seven (7) hours per day or up to thirty-five (35) hours per week, but at the appropriate overtime rate for any hours in excess thereof.

L16.07 An employee will not be permitted to work overtime except with the prior approval of the Principal or Supervisor.

L16.08 Professional Activity Days

The Board shall designate each Professional Activity Day of the school year as a day which Educational Assistants shall attend for their regularly scheduled hours and at their regular rate of pay for the purpose of Board approved professional development and/or professional activities.

L16.09 Time off in Lieu

If an employee requests time off in lieu of payment for overtime and this request is approved by the Supervisor, the time off shall be based on the appropriate overtime rate for each hour worked.

Lieu time may be accumulated, with the time off to be scheduled and taken at a time mutually agreeable to the employee and the immediate supervisor and, in any case, no later than the August 31st following the month in which the time was accumulated. Any remaining accumulation at August 31st will be paid out at the appropriate overtime rate on the next regular pay.

Provided sufficient notice is given, requests to take lieu time shall not be unreasonably denied.

L16.10 No Lay-off to Compensate for Overtime

Employees shall not be laid-off during regular hours in order to equalize any overtime worked.

L16.11 All authorized overtime must be worked on Board premises, except where otherwise expressly permitted.

L16.12 Rest Periods

Except in emergency situations and/or in the case of unexpected staffing circumstances, employees working six (6) hours a day or more will be allowed two (2) fifteen (15) minute rest periods. Employees working more than three (3) hours and less than six (6) hours will be allowed one (1) fifteen (15) minute rest period.

The Board and the Union agree that the scheduled rest period(s) shall not be within the first hour or the last hour of the employee's workday unless mutually agreed between the employee and their immediate supervisor.

L16.13 Lunch Break

No employee shall be required to work longer than five (5) consecutive hours without an unpaid, uninterrupted lunch period of at least thirty (30) minutes.

L16.14 Emergency Call-in

When a member of the Virtual Learning Centre and/or Technology Services department staff is called back to work after completing a shift, the employee shall be paid the applicable overtime rate for a minimum of three (3) hours. Where a call-back occurs on a Saturday, Sunday, or Statutory Holiday, the employee shall be paid the applicable overtime rate for a minimum of three (3) hours, calculated from the time they leave their residence.

L16.15 Scheduled Call-in

A minimum of three (3) hours at the applicable overtime rate or the actual time worked at the applicable overtime rate, whichever is greater, will be paid to members of the Virtual Learning Centre and/or Technology Services departments for overtime call-in work which is scheduled in advance.

L16.16 Attendance and Travel

When an employee participates in authorized professional development, either on or off of Board property, pre-approved travel time to a maximum of four (4) hours each way to and from such

sessions, which result in an extended work day, shall be compensated at the employee's regular rate of pay, based on straight time.

ARTICLE L17 - PAID HOLIDAYS

L17.01 Each full-time probationary and permanent employee shall be paid a sum equivalent to the employee's current daily rate of pay (or part thereof in the case of a half-day holiday, or in the case of a probationary employee who has not met the *Employment Standards Act* qualifying period) for the following holidays:

- New Year's Day
- Family Day
- Good Friday
- Easter Monday
- Victoria Day
- Canada Day
- Civic Holiday
- Labour Day
- Thanksgiving Day
- Half-day prior to Christmas
- Christmas Day
- Boxing Day
- Half-day prior to New Year's Day
- Two (2) Float Days
- Any other day declared or proclaimed as a statutory holiday by the Ontario or Federal government

provided the employee has completed his/her last scheduled working day before the holiday and first scheduled working day after the holiday, or submits appropriate evidence to the Superintendent of Human Resources Services or designate, in support of not being at work on those days.

One (1) Float Day listed above is in lieu of the existing federal statutory holiday for the National Day for Truth and Reconciliation.

NOTE: The dates of the Floating Holidays shall be at the employee's discretion, subject to a minimum of two (2) weeks' notice to the immediate supervisor. The float days may not be carried forward from year to year.

On or about December 1st of each year the employer shall send a notice to permanent employees to remind them that all float days must be taken by December 31st.

L17.02 Part-time employees will receive their normal rate of pay for the hours that would have been worked had it not been a holiday. Employees not scheduled to work in the school summer vacation period will not be paid for any of the holidays falling within that period.

- L25.03 Both parties recognize the importance of providing work opportunities for students under the various programs which are available from time-to-time (eg. OYAP, SEED, Co-op, etc.). Participation by the Board in such programs will be discussed with the Union and would be on the basis that students would not replace Bargaining Unit members, in whole or in part. It is understood that this clause does not preclude the hiring of students, on a casual basis, for summer projects.
- L25.04 It is understood by the parties hereto that supervisory duties in relation to persons who are performing "community service" (under the auspices of a probation order), or students (under paragraph L25.03 above) shall be the responsibility of management personnel.
- L25.05 No permanent employee shall suffer any reduction in hours or earnings as a result of the contracting out of bargaining unit work.

ARTICLE L26 – PROFESSIONAL DEVELOPMENT

- L26.01 On September 1 of each year, the Board will provide an annual non-cumulative sum of \$16,000 (sixteen thousand dollars) for Professional Development purposes, which may be accessed by permanent and temporary employees from both the Custodial/Maintenance, and Office Clerical, Technical and Educational Assistants Bargaining Units. The fund shall be administered by the Local CUPE PD Fund Committee and will be used to support members' attendance at conferences, workshops, and courses of a professional development nature.
- L26.02 The Secretary of the Fund shall provide the Director (copy to Superintendent of Human Resources Services) on an annual basis, but not later than October 1st, with a detailed report on the disposition of these funds for the previous school year.
- L26.03 The balance of the Fund, as at August 31, 2006 shall be carried forward from year to year until such time that it is expended.

ARTICLE L27 - DURATION AND RENEWAL

- L27.01 This Agreement comes into force on the day it is ratified by both parties, and expires on August 31, 2026. It shall continue automatically thereafter for annual periods of one year unless either Party notifies the other, in writing, within ninety (90) days prior to the expiration date that it desires to negotiate with a view to renewal, with or without modifications of this Agreement, in accordance with the provisions of the *Ontario Labour Relations Act*.
- L27.02 This Agreement shall supersede all previous Collective Agreements between the Parties and shall continue in force and effect until such time as it is superseded by a new Agreement under the terms of the *Ontario Labour Relations Act*.
- L27.03 If either Party gives notice of its desire to negotiate in accordance with paragraph L27.01, the Parties shall meet within fifteen (15) days from the giving of notice to commence negotiations for the renewal of this Agreement in accordance with the *Ontario Labour Relations Act*.
- L27.04 No changes can be made to this Agreement without the mutual consent of the Parties.

Re: Definition of OMERS Contributory Earnings

The following definition of contributory earnings under the OMERS Pension Plan is provided for informational purposes only and is non-grievable. Contributory earnings must include all regular earnings, as follows:

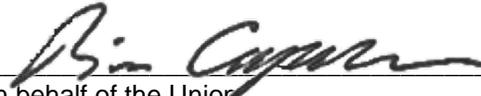

- base wages or salary;
- regular vacation pay if there is corresponding service;
- normal vacation pay for other-than-continuous full-time members. Include vacation hours in credited service;
- retroactive pay (including any pay equity adjustment) that fits with OMERS definition of earnings for all members, including active, terminated, retired and disabled members;
- lump sum wage or salary benefits which may vary from year to year but which form a regular part of the compensation package and are expected normally to occur each year (for example, payment based on organizational performance, some types of variable pay, merit pay, commissions);
- market value adjustments (for example, percentage paid in addition to a base wage as a result of market conditions, including retention bonuses if they are part of your ongoing pay strategy and not a temporary policy);
- ongoing special allowances (for example, flight allowance, canine allowance);
- pay for time off in lieu of overtime;
- danger pay;
- acting pay (pay at a higher salary rate for acting in place of an absent person);
- shift premium (pay for shift work);
- ongoing long service pay (extra pay for completing a specified number of years of service);
- sick pay deemed to be regular wages or salary;
- salary or wage extension for any reason, provided service is extended (the member must be kept whole for example, continuation of salary and benefits). If the member becomes employed in another position and begins contributing to another registered pension plan (except CPP), the balance of the extension period becomes unpurchasable service;

- stand-by pay/call-in pay (pay for being on call, not pay for hours worked when called in) where this pay is in relation to duties that are an extension of the member's normal job;
- living accommodation premiums provided (if paid as a form of compensation and not as a direct expense reimbursement);
- ongoing taxable payments to pay for costs (for example, educational or car allowance);
- taxable premiums for life insurance;
- taxable value of provided vehicle or car allowance (for example, if an employer provides an allowance (that is, expenses that are not reimbursed) then the allowance is considered part of contributory earnings. If an employer reimburses mileage, this reimbursement represents payment for gasoline, maintenance, insurance, wear and tear on the vehicle and licence fees and should not be included as part of contributory earnings);
- payments for unused accumulated sick days or vacation time, only on retirement and only if credited service is extended.

APPENDIX "C" EDUCATIONAL ASSISTANT POSTING/PLACEMENT PROCESS

1. The parties agree to limit disruption to the schools and students by having a Posting/Placement Process for Educational Assistants in June for September placements and in January as outlined in # 3 and 4 below.
2. General
 - a) The Employer is responsible for allocating Educational Assistant time to each school. In this regard, it is understood that Educational Assistant allocation for September will be based on the Board's determination of confirmed school and student need for the upcoming school year. For clarity, this includes students with confirmed registrations for the new school year.
 - b) The Employer shall provide to the Union the Educational Assistant Staffing Allocations concurrently with any layoff notices being sent out and prior to the placement meetings. This allocation information, by school, will include: the names of all current permanent Educational Assistants, the allocation for the upcoming period, and the name(s) of the most junior Educational Assistant(s) declared surplus to school.
 - c) Prior to the Educational Assistant Posting/Placement Process, the school administration will request that Educational Assistants at their school advise the Principal of their preferred assignment for the upcoming semester / year. The Principal will endeavour to take into consideration the Educational Assistant's stated preferences for assignment for the upcoming semester / year.
 - d) In the event there are surplus EAs within the school, the most junior person(s) will not receive an assignment at that school.
 - e) Permanent staff may choose to post into vacant positions at other schools during the Posting/Placement Process (see 3 & 4 below).
 - f) Casual Educational Assistants and other qualified bargaining unit members shall be considered for any remaining open positions after the Posting/Placement Process and prior to the consideration of external candidates. The Board shall endeavour to fill such positions by February 15 and August 15 each year.
 - g) There are some Educational Assistant assignments that require specialized skills and/or knowledge and therefore, such positions will be assigned, subject to Article L13.06, to those Educational Assistants with the specialized skills and/or knowledge (i.e. sign language, Braille, itinerant, interpreter etc.).
 - h) Trillium Lakelands DSB will make their schools and computer systems available on the posting meeting night so that Educational Assistants wishing to make application to a posted position can use the employer's internet. Educational Assistants are not required to use the employer's facilities.
3. In June, the following individuals will meet to determine placements for Educational Assistants for the start of the upcoming school year: the Superintendent responsible for Special Education (or designate), the Senior Manager of Human Resources Services; the President of the Local and the Educational Assistant Chief Steward. The Posting/Placement process shall be held electronically. It is through this electronic means that permanent Educational Assistants will have the opportunity to apply for available positions. The Employer agrees to host and maintain the electronic platform for the posting and placement process. The dates, times and instructions about this electronic placement process will be posted on the CUPE Job Posting site on the Board's intranet a minimum of two (2)

weeks prior to the initial posting meeting date. All round one (1) positions will be posted only on the CUPE Job Posting site on the Board's intranet for five (5) working days prior to the Posting/Placement Process date. Applications to first round postings will be required back by 4:00 pm on the day before the Posting/Placement Process date. Subsequent rounds of postings which will occur electronically commencing at 4:30p.m. on the evening of the Posting/Placement Process. Any remaining vacancies following the last posting round will be filled from Educational Assistants on the recall list prior to being offered to casual educational assistants and other qualified bargaining unit members.

Postings will include existing vacant and newly created permanent positions, and temporary positions.

Following the June placement process, Educational Assistants who have been laid off in accordance with Article L14, and who do not have a position, will be contacted by the Human Resources Services Department. A bumping meeting in any of the three (3) geographic areas may be held after the June placement process in order to complete the Recall/Lay-off process prior to the start of the school year. The Notice of bumping meeting(s) will be posted on the CUPE job posting site on the board's intranet and will include the seniority date for required attendance at the bumping meeting(s). Any bumping meeting shall be held at 4:30 p.m. on a regular school day after the Posting/Placement Process and prior to June 30th.

4. In early January, the Employer will determine the number of vacant permanent positions that have arisen through retirements, resignations or where an Educational Assistant has otherwise permanently vacated their permanent position since September 1 of the current school year. It is understood that the Employer makes its determination based on a review based on school and student needs.

Permanent Educational Assistants on recall will first be offered, in order of seniority vacant permanent positions as identified above. Qualified Educational Assistants are considered to be on the recall list if they are currently without a permanent position or if they are currently placed in a temporary position.

A general posting by geographical region will be posted to fill any remaining vacant permanent positions. Casual Educational Assistants can apply to be considered for these positions.

The Board will endeavour to fill such positions by February 15 each year.

5. For the purposes of clarification, with the exception of the postings outlined in #3 and #4 above and postings as a result of vacancies for Educational Assistant positions requiring special skills identified in 2(g), no posting of vacancies during the school year will occur for Educational Assistant positions.
6. Vacant positions which occur during the school year will be filled by:
 - a) a qualified Educational Assistant on the recall list;
 - b) where operationally possible, employees working less than full time shall be offered additional hours;
 - c) temporary/casual Educational Assistants.

The position, if it still exists, will be posted at the Posting/Placement Process in January as noted in #4 above or June, as appropriate.

7. All decisions on individual Educational Assistant placements made at the placement meetings shall be final.

Reassignment of Permanent Educational Assistants During the School Year

The Board and the Union agree that criteria for reassignment of permanent Educational Assistants, under Article L13.01 and Appendix "C", as a result of changes in staffing requirements that occur after the start of the school year, will be as follows:

1. There will be no layoff of Educational Assistants during the school year.
2. If there are no positions available within the school, after the start of the new school year, the least senior Educational Assistant at the worksite will be reassigned to a position for which they are qualified, unless another qualified Educational Assistant elects to be reassigned on a voluntary basis.
3. When reassignment is required, the Board will find a suitable assignment. Educational Assistants will choose from the following options;
 - a) positions currently held by temporary employees;
 - b) temporary positions resulting from new allocations;
 - c) be placed on the recall list. It is understood and agreed that other than L14.06, L14.08 and L14.09, no other provisions of Article L14 – Layoff and Recall will apply. For added clarity notwithstanding Article L14, an Educational Assistant that selects option (c) has not been laid off.

Reassignments will be limited to two (2) per Educational Assistant per school year. Five (5) working days' notice will be required for any reassignment in 3 a) or b) above or a temporary reassignment noted under 4 below.

4. Notwithstanding #3 above, if no option exists at 3 a) or b), the employee will be reassigned temporarily to one (1) school within their family of schools at the same hours or greater until such option(s) 3 a) and/or b) are available.
5. Unless the Educational Assistant agrees, no reassignment to a school or worksite under #3 and #4 above will be greater than forty (40) kilometers from the Educational Assistant's original school or worksite.
6. A reassigned permanent part time Educational Assistant will have the option of taking a full time position, currently held by a temporary Educational Assistant, for which they are qualified.
7. A reassigned Educational Assistant will be guaranteed their full hours for the balance of the school year unless they choose a position of lesser hours.
8. The reassignment will be deemed permanent at the new location.
9. The Union President shall be advised in advance of notification to any Educational Assistant reassigned under this article. The notice will include the Educational Assistant's name, current school, reassignment options and FTE. The President will be advised of the outcome of any reassignment under this article.

The Board and the Union further agree that notwithstanding the above, all other existing rights and privileges under the collective agreement will remain whole and are not impacted as a result of this agreement.

APPENDIX "D" PROTOCOL AGREEMENT

- between –

TRILLIUM LAKELANDS DISTRICT SCHOOL BOARD
(hereinafter referred to as the “Employer”)

- and –

CUPE LOCAL 997
(hereinafter referred to as the “Union”)

1. PURPOSE

1.01 The parties hereto undertake and agree to work jointly, co-operatively, and in good faith in establishing and maintaining a joint Gender-Neutral Job Evaluation process, which is in accordance with the requirements of the *Pay Equity Act*, and which will apply to the employees in the Bargaining Units represented by CUPE Local 997.

2. IMPLEMENTATION: DEVELOPMENT OF JOB DESCRIPTIONS

2.01 It shall be the responsibility of the Employer, in consultation with the Union, to prepare job descriptions for all jobs within the Bargaining Units.

2.02 It is understood that, for jobs with more than one incumbent, the Employer and the Union may agree upon a generic job description.

2.03 It is understood that individual employees in jobs not covered by 2.02 (above) shall be afforded the opportunity to review the job description that has been developed for their job, and to discuss its adequacy in portraying the job with their immediate supervisor.

2.04 When the job description has been reviewed by the incumbent, he/she shall sign it to indicate that there has been an opportunity to review the job description.

2.05 The immediate supervisor shall also sign the job description, to indicate that there has been an opportunity to review the job description.

3. IMPLEMENTATION: JOB ANALYSIS QUESTIONNAIRE

3.01 Subsequent to the completion of job descriptions for each job in the Bargaining Units, each employee shall be asked to complete a Job Analysis Questionnaire, which will summarize each job under the various factors and sub-factors.

3.02 The Job Analysis Questionnaire will then be submitted to the employee’s immediate supervisor.

3.03 The employee’s immediate supervisor will review the contents of the Job Analysis Questionnaire. The supervisor will indicate their concurrence or include their comments on the form provided to them by the Joint Job Evaluation Committee. The completed questionnaire, together with the immediate supervisor’s comments, will be forwarded to the Senior Manager of Human Resources.

3.04 It is understood that, for jobs with more than one incumbent, as well as in circumstances where the employee and the supervisor disagree as to the content of the job analysis

questionnaire, the Joint Job Evaluation Committee may agree upon the contents of the job analysis questionnaire.

4. THE JOINT JOB EVALUATION COMMITTEE

- 4.01 The Joint Job Evaluation Committee (JJEC) for each of the OCT/EA and C/M Bargaining Units shall have equal representation and participation from the parties, consisting of up to three (3) representatives from the Employer and up to three (3) representatives from the local Union.
- 4.02 It is understood that when it is agreed that the two Joint Job Evaluation Committees will meet together as the Joint Job Evaluation Steering Committee (JJESC), the combined Committee shall not exceed five (5) representatives from each of the parties. The Local Union President and the Senior Manager of Human Resources, shall co-chair the JJESC.
- 4.03 It is understood that the Employer will provide administrative support for the Joint Job Evaluation Committees.
- 4.04 It is understood that the CUPE National Representative may attend meetings as additional administrative support for the Union representatives.
- 4.05 The Employer and the Union shall each designate one of its representatives to act as co-chairperson of each of the JJECs. The co-chairpersons are responsible for:
 - (a) chairing Committee meetings;
 - (b) scheduling Committee meetings;
 - (c) establishing the agenda for meetings.
- 4.06 Each party may appoint alternate representatives to serve as replacement for absent members. Alternate members shall have the right to vote only when replacing a regular Committee member who is absent.
- 4.07 Committee members may participate in any discussion about their own job(s), but may not participate in any decision.
- 4.08 Union Committee members not already on time release shall be entitled to attend meetings without loss of pay or benefits and without deduction from sick leave.
- 4.09 Routine business decisions of the Committee shall be made by a simple majority. Job rating decisions shall require a consensus and shall be final and binding on the parties, subject to the reconsideration procedure set out in Article 7.04.
- 4.10 The JJEC shall meet as necessary at a mutually agreed-upon time and place.
- 4.11 Either party to the agreement may engage advisors to assist its representatives on the JJEC. Any such advisor shall be entitled to voice, but not to vote, and shall not be considered to be a member of the Committee.

5. MANDATE OF THE JJEC

- 5.01 The committee shall implement and maintain the Job Evaluation Program by:
 - (a) evaluating all jobs;
 - (b) maintaining the integrity of the program through on-going review and re-evaluation, as contemplated;

- (c) recommending to the parties changes to the Job Evaluation Program, its procedures or methods, as may be deemed necessary from time-to-time;
- (d) recording all evaluation results and rationale, as necessary.

6. RATING PROCESS

6.01 The following general procedure shall be used to rate jobs:

(a) Step 1

A Job Analysis Questionnaire shall be completed by the incumbent(s) and the supervisor in accordance with Article 3. The completed questionnaire shall be submitted to the JJEC along with the copy of the current job description (if one exists). The questionnaire should detail any changes to the job resulting from new or changed circumstances in the job.

(b) Step 2

Where a job description does not exist, the Committee shall draft an up-to-date job description based on the information gathered. Where further information is required, interviews may be held with the incumbent(s) and/or the supervisor. The Committee shall submit the job description to the incumbent(s) and the supervisor for their mutual agreement. Amendments may be made to the proposed job description, as deemed necessary by the Committee, from the response of the incumbent(s) and the supervisor. When agreed upon, the job description shall be signed by the incumbent(s) and the supervisor to signify their mutual agreement.

(c) Step 3

The job shall now be rated, based on the agreed-upon job description, in accordance with the Job Evaluation Plan. The Committee shall also use information obtained from the completed questionnaire, any interviews with the incumbent(s) and/or supervisor and, if required, visits to the workplace. The plan evaluates the skill, effort, responsibility, and working conditions involved in the job. Each of these factors is subdivided into sub-factors which provide a standard against which each job is rated to determine its relative worth.

(d) Step 4

When the Committee has completed the rating of all jobs, it will provide the supervisor and the incumbent(s) with a copy of the job description and rating results (see Advice of Rating Form – Form 1).

7. MAINTENANCE

7.01 The parties acknowledge the importance of maintaining accurate job descriptions and rating new and/or changed jobs on an on-going basis.

7.02 Job Evaluation Procedures for Changed Jobs

Whenever the Employer substantially changes the duties and responsibilities of a job or the incumbent(s)/Union feel that the duties and responsibilities of a job have been substantially changed, or that the job description no longer reflects the duties and responsibilities of the job, the following procedures shall be followed:

- (a) The incumbent(s)/Union or the supervisor/Employer may request a job evaluation review by completing and submitting a Job Evaluation Reconsideration Form (Form "2").
- (b) Upon receipt of a completed Job Evaluation Reconsideration Form, the JJEC shall proceed to gather accurate, up-to-date information on the job in accordance with Articles 2 and 3. The gathering of information may involve requesting the incumbent(s) and supervisor to complete an up-to-date job analysis questionnaire. Where further information is required, interviews may be held with incumbents and/or supervisors and/or visits to the job site. Based on this information, the Committee shall update the job description as necessary.
- (c) Where the job description has been changed, the Committee shall meet to rate each sub-factor of the job, and to establish a new rating for the job and advise the incumbent(s) and/or supervisor of its decision.

7.03 Job Evaluation Procedures for New Jobs

Whenever the Employer wishes to establish a new job, the following procedures shall apply:

- (a) The Employer shall prepare a draft job description for the job.
- (b) The JJEC shall meet to review the draft job description and establish a temporary rating for the job, based on the draft job description.
- (c) The job shall be posted and any person appointed to the job shall be paid on a temporary basis upon the rate assigned.
- (d) Six (6) months after appointment to the job, the incumbent(s) and the supervisor shall complete a Job Analysis Questionnaire. The questionnaire shall be submitted along with a revised job description to the JJEC. The JJEC shall finalize the job description and rate the job according to the procedure set out in Article 6.
- (e) If the rating increases as a result of the six-month review, such rating shall be applied retroactively to the effective date of his/her appointment to the job. In the event that the rating of the job decreases as a result of this six-month re-examination of the job, the incumbent shall be entitled to red-circling protection for the duration of his or her tenure in the job.

7.04 Reconsideration Process

Within sixty (60) days of any rating decision being communicated to the employee, the following procedure shall apply:

- (a) The incumbent(s)/Union and/or the supervisor/Employer may request reconsideration of the job rating by completing and submitting a Job Evaluation Reconsideration Form (Form 2), stating the reason(s) for disagreeing with the rating of the job.
- (b) The incumbent(s) and the supervisor may be invited to make a presentation to the Committee.
- (c) The JJEC shall consider the reconsideration request and make a decision which shall be final and binding upon the parties and all employees affected.

- (d) The Committee shall inform both the incumbent(s) and the supervisor of its decision using the Review Decision Form (Form 3).

8. SETTLEMENT OF DISAGREEMENTS

8.01 In the event the JJEC is unable to reach agreement on any matter relating to the interpretation, application or administration of the Joint Job Evaluation Program, the co-chairpersons of the Committee shall request, within ten (10) working days, that each party designate an advisor to meet with the Committee and attempt to assist in reaching a decision.

If, after meeting with the two (2) advisors appointed pursuant to Article 8.01, the Committee remains unable to agree upon the matter in dispute, the co-chairpersons shall advise, in writing, the Union and the Employer of this fact, within fifteen (15) working days.

8.02 Either party may, by written notice to the other party, refer the dispute to a single arbitrator who shall be selected by agreement of the parties. If the parties are unable to agree, either party may request the Minister of Labour to appoint an arbitrator.

8.03 The arbitrator shall decide the matter upon which the JJEC has been unable to agree and his/her decision shall be final and binding on the JJEC, the Employer, the Union and all affected employees. The arbitrator shall be bound by these Terms of Reference and the Job Evaluation Plan and shall not have the power to modify or amend any of the provisions. The jurisdiction of the arbitrator shall be limited to the matter in dispute, as submitted by the parties.

8.04 The Employer and the Union shall be the parties to the arbitration hearing and shall have the right to present evidence and argument concerning the matter in dispute. The arbitrator shall have the powers of an arbitrator appointed pursuant to the collective agreement and, in addition, shall have the authority to require the parties to present additional information and to require other person(s) to present evidence, as deemed necessary by the arbitrator.

8.05 The arbitrator's fees and expenses shall be borne equally between the parties.

8.06 The time limits contained in this Article may be extended by mutual agreement of the parties.
